

# Lions Club of Liskeard. October 2018

## Message from our President Garf Cole.

Dear all, please be assured that our Club continues to support Liskeard and surrounding areas as well as our National and International commitment.

Our Carnival was a success in that it was well attended and supported, but as always, we could do better. Doing better requires maintenance from those organisations that we have given financial support too. I plan that next year, we will ask these for attendance.

We may well alter some of the format for the Carnival week, to encourage attendance for poorly supported events. It is about communication, and in honesty; if we don't use it we will lose it.

Besides our own activities we have supported the Ploughman's event, Trethew Rally, Liskeard Show and our brother club at Looe at their Car boot on Sundays delivered for over almost 17 occasions (weather permitting.) There has been assistance on road closures, marshalling and significant financial support provided for local events and initiatives too numerous to mention here.

All provided by willing and enthusiastic volunteers.

We were blessed with the weather at St Matthews Fair, and were encouraged by the support. As in all events, we have valued your feedback via our web site and Facebook and look to include your suggestions for next year.

The support of Cornish Times is greatly appreciated on advertising, raising awareness of our events and supporting us. It is good to see the photographs and overviews that highlight the efforts made in the community.

Liskeard Lions have taken over the Fireworks Display so enjoyed and provided in the past by Liskeard & Looe Round Table. On MONDAY 5TH OF NOVEMBER 2018, at Liskeard Rugby Training Pitch (Off Coldstyle Road).

The Pantomime is in practice for all performers for January!  
Santa attendance dates are designated for December.  
Monday 17th December at Morrisons Liskeard,  
Wednesday 19th of December at Morrisons Liskeard,  
And Friday 21st of December at ALDI.

Christmas Bingo is at Eliot Hotel on the 18<sup>th</sup> and we hope we will have the wonderful crowd that we have enjoyed. It really is a hoot.

Lions Club of Liskeard will of course be there to support Remembrance Sunday in Liskeard on the 11<sup>th</sup> of November. Lest we forget. It was lovely that our knitting bombers placed those lovely poppies on the parade.

Let's not lose anything of our heritage. Let's support our local charities whilst realising concerns nationally and internationally.

My kindest regards and I will write again very soon

*Garf Cole*
